

JOB DESCRIPTION

Position Title: Wastewater Treatment Plant Operator, Operator in Training (OIT)

Department: Wastewater

Supervised by: Wastewater Treatment Plant Supervisor/ Class 2 Operator

General Description of Work

Responsible for the operation and maintenance of the wastewater collection and treatment systems owned and operated by the City of Romney. Ensures that the system is operating sufficiently to handle the flows collected on a daily basis. Collects samples and performs daily tests. Inspects collection and treatment facilities on a regular basis. Possible exposure to fumes, odors, dust, toxic conditions and risk of injury. Work is reviewed directly by the Wastewater supervisor.

Duties

Primary responsibility is the operation and maintenance of the wastewater treatment plant and collection system. Performs maintenance on pumps, valves and other equipment; maintains records and fills out daily operational forms. Drives sludge truck to haul and land apply sludge. Other duties include mowing grass, cleaning lift stations, reading water meters, and all other general maintenance of the collection system and treatment plant. Does any additional work that may be required or requested by supervisor.

Skills, Knowledge, and Abilities

Possesses the ability to work and communicate with other employees and the public. Has the ability to read and understand technical instructional manuals, diagrams and maps. Possesses some mechanical and electrical skills; and is in good health and physical condition.

Education

High School Diploma or G.E.D. equivalent.

Other Requirements

Possess a valid Drivers License. Ability to work in inclement conditions, and be available to be On-Call as needed. Willing to comply with the City of Romney Employee Handbook. Must be able to pass a pre-hire drug screen, and background check.
