Earth Day

This project allows the City of Romney to meet the requirements of the Chesapeake Bay Watershed Implementation Plan. The up-grades removes more nutrients (nitrogen and phosphorous) from the wastewater before it is discharged. There is also room to grow to provide service to new residents and businesses.

Funding for the project includes:

IJDC Loan	\$1,436,799
SCB Grant	\$1,000,000
SRF Loan	\$3,600,000
SRF (debt forgiveness)	\$2,000,000
Senate Bill 245 Grant	\$5,111,401
EPA/STAG Grant	\$500,000
U. S. Army Corps of Engineers Grant	\$300,000
Hampshire County Commission	\$100,000
Total	\$14,048,200
