Other Business:

- Councilman Hott said that he will meet with Ms. DeVault, President of the Tree Board, on Saturday to consider trees in the City.

Mayor's Comments:

- Joe Donovan of WVU was here last week to present the secondary water source study, required by the State. It was an interesting study; however, his recommendation was far beyond the means of the City.
- The new dump truck arrived yesterday. The old truck (1995) will be sold by sealed bid.
- The dedication of the WWTP will be 10:30 a.m. Friday. Senator Capito will be the keynote speaker. The cost of the event is paid by the engineering firm.

Administrator's Comments:

- Good feedback from recent equipment purchases. The bobcat has been used often for various uses including street sweeping. The old street sweeper was sold.

There being no further business, Councilman Hott moved to adjourn, with second by Councilwoman Roberts. Motion carried.

Mayor Daniel O. Hileman

Recorder, Beverly C. Keadle
